

## Salient Features:

### Magnetic Level Gauge

- Titanium floats
- Float failure indication (Safety first)
- No vented / pressurized floats
- Full bore penetration welding (Only manufacture)
- CRN approved
- Project documentation
- Life time warranty
- Quick delivery : 4-6 weeks

### Diaphragm Seals

- Greatest level of reliability
- 40 micron gold plated seal for Hydrogen service
- Shell approval
- Max. Temperature up to 1100 Deg F
- Web based calculation tool (BaseCal)
- Exotic material
- 48 types of fill fluids for process requirement
- CRN approved

### Guided Wave RADAR Transmitter

- Accuracy +/- 0.12"
- Measurement range up to 130 feet
- Output 4-20 mA HART / FF / Profibus PA
- Explosion-proof and Intrinsically safe
- Enclosure rating to NEMA 4X
- SIL2, CRN approval
- Meets high pressure high temperature requirement
- Quick delivery : 2 weeks

### Armoured Sight Glasses

- Largest Manufacturer
- Exotic material
- Fully shrouded cover plate (Safety first)
- Forged steel cover plate
- Thermal shock proof glasses
- Auto shut-off ball checks
- CRN approved
- Project documentation

### Magnetostrictive Transmitter

- High accuracy and repeatability
- 4 to 20 mA HART
- Two channel output (Level & Interface)
- Explosion-proof and Intrinsically safe
- FM & CSA approval
- Enclosure rating to NEMA 4X
- Set it and forget it
- Quick delivery : 4-6 weeks

### Non Contact RADAR Transmitter

- High Accuracy and repeatability
- Measurement range up to 98 feet.
- Output 4-20 mA HART / FF / Profibus PA
- Explosion-proof and Intrinsically safe
- Enclosure rating to NEMA 4X
- CRN approval
- Meets high pressure high temperature requirement
- Quick delivery : 2 weeks

 **Only Manufacturer to offer**  
 "Cloud Order Tracking" system through  
[www.blisswalk.com](http://www.blisswalk.com)

One package manufacturer for:  
 MLG + LG + Seals + Transmitters + Skids

Worldwide Presence: [USA](#) | [Canada](#) | [South America](#) | [Middle East](#) | [Saudi Arabia](#) | [Asia](#)

3400 Awesome Lane, La Porte, Texas 77571, USA

#16-006/USA

# Product Portfolio

**BLISS ANAND AMERICA**

*The Spirit to Walk an Extra Mile*

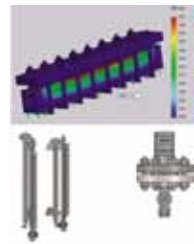

**Products Overview:**

**Design & Engineering**

- Computational Fluid Dynamics
- Finite Element Analysis

SolidWorks

**Blisswalk Order Tracking**

**Energy Division**

- 2/3 Phase Separator System
- Gas Conditioning, Regulating & Metering System
- Filter Separators / Dry Gas Filters

Indirect Water Bath Heater

- Hydrocarbon Storage Tank
- Heater Treater
- Pig Launching / Receiving Traps

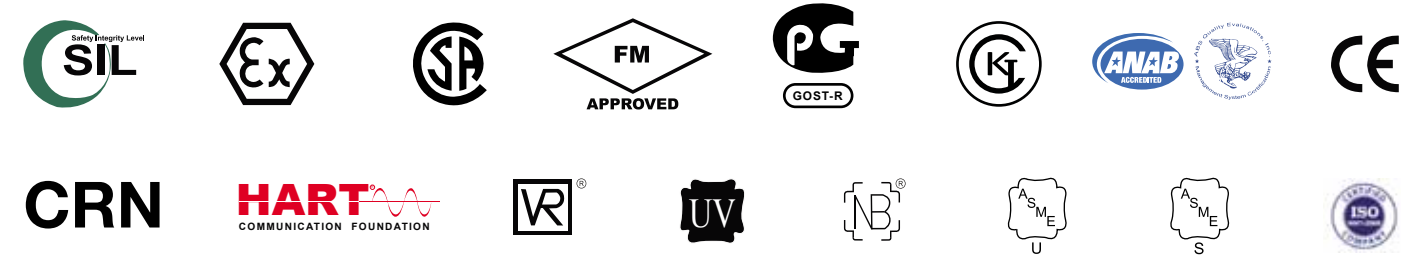

Chemical Injection Skid

**World Leaders**

**Approvals:**

**Certifications:**

Other Certification: PED | ISO 9001 : 2008 | ISO 14001 : 2004 | OHSAS 18001 : 2007

**Manufacturing Locations:**

**USA**

Houston

**Middle East**

Dubai

**Asia**
